

Hunting Permit Application for Morrison Prairie & Forest Preserve

Driftless Area Land Conservancy (DALC) requires permits for rifle and shotgun deer hunting on this preserve. Permits are not required for archery or muzzle-loader deer seasons on this preserve, or for game species other than deer. DALC uses a lottery system to assign hunting days to hunting parties. If any days are open after the lottery, DALC will issue permits on a first-come, first-serve basis. Mail completed application to Driftless Area Land Conservancy, 206 S Iowa St, PO Box 323, Dodgeville WI 53533. Applications must be received by September 15th for full consideration.
